

The Shelter Cove Arts & Recreation Foundation (SCARF) is dedicated to providing art and recreation to the community and visitors of Shelter Cove. In addition to the three trails we have developed, we have a ball field, an art gallery, held Plein Air events, an annual Quilt Show and numerous children's workshops. SCARF is a tax exempt non-profit 501(c)(3) corporation and donations are always welcome. For more information visit us on Facebook or on our web site at: www.ShelterCoveArtsRecreation.com

Inspiring passion for nature is the mission of Friends of the Lost Coast. Please join us as a participant in our events and programs, volunteer on a project or make a donation. Together we can act to help secure a future where people and the planet can thrive. For more information visit us on Facebook or at www.lostcoast.org.

Manroot –*Marah oregana* - Jeremiah Jackson

Yerba Buena – *Clinopodium douglasii* - Jim & Colleen Bell

Somewhere on this trail or on the SCARF Nature Trail we have a missing plant, Sierra Gooseberry. This plant becomes dormant in the fall and it is currently hiding. We want to thank the sponsors, Dan & Connie Paul for their patience in getting their sign in place. Next year we will have a contest to locate the plant.
