## Overview:

### WHO ARE WE?

Shelter Cove Arts and Recreation Foundation was established to improve the quality of life in the Cove by offering art & recreational experiences and activities as well as developing recreation facilities such as hiking trails and ballfields. SCARF has no membership dues, and all activities are free of charge for the local youth. We have a seven-member board of directors, and we host public meetings annually. We welcome your input and participation.

As set forth in our 501©3 Articles of Incorporation: "The specific purpose of this corporation (SCARF) is to provide recreational and arts facilities and activities to the citizens, visitors, and the community of Shelter Cove California."

Art: SCARF intends to make the Cove an artist's destination on par with Eureka, Mendocino, Sausalito, & Benicia. Currently, the SCARF Art Gallery is located at the Inn at the lost Coast, 205 Wave Drive, Shelter Cove, CA 95589. We host 4 receptions per year, with a local featured artist at each showing. The first Artist in Residence (AIR) program occurred in 2019 and recurs every year. In 2022 we installed a Children's Garden near the community Clubhouse. The next largest project is the installation of a meditation labyrinth in the summer of 2023. Our ten-year goal is to develop recurring art events possibly with a permanent venue to hold them.

Sports & Recreation: SCARF currently has approval, commitments, & funding to build a labyrinth.
